

Teacher Reference

Student Name \_\_\_\_\_

Advisory \_\_\_\_\_

Teacher's Name \_\_\_\_\_

This student has applied for a position on this summer's Nasa All-Stars Mentor Summer Program at the University of Chicago. If selected, the student will work with a team of teachers and students to conduct research and data analysis in gamma ray, x-ray, optical and ultraviolet astronomy.

Your input is very important. Could you please take a few minutes and reply to the following questions about this student?

**Please return this to me by Friday, May 3, 2013.**

Thanks,  
Jackie Barge
